

# Replace File Link

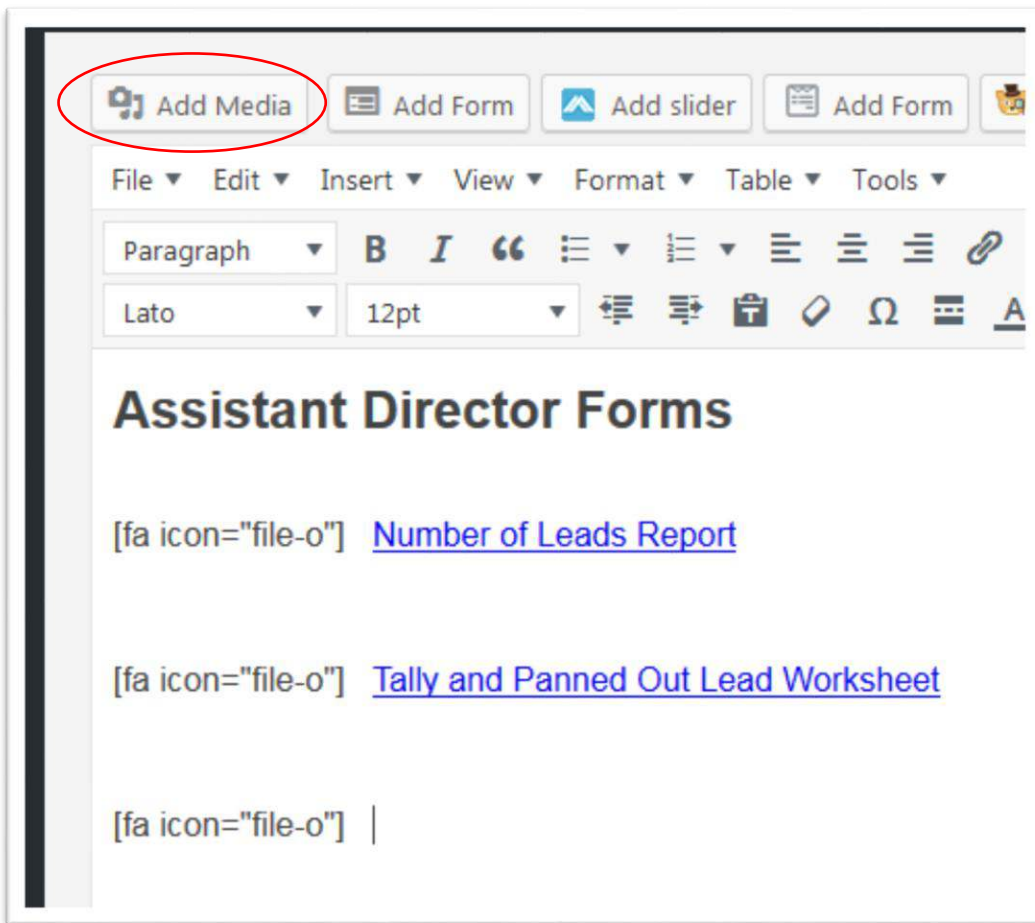

1. Navigate to page requiring file replacement.
2. From top of screen, tap "Edit Page".

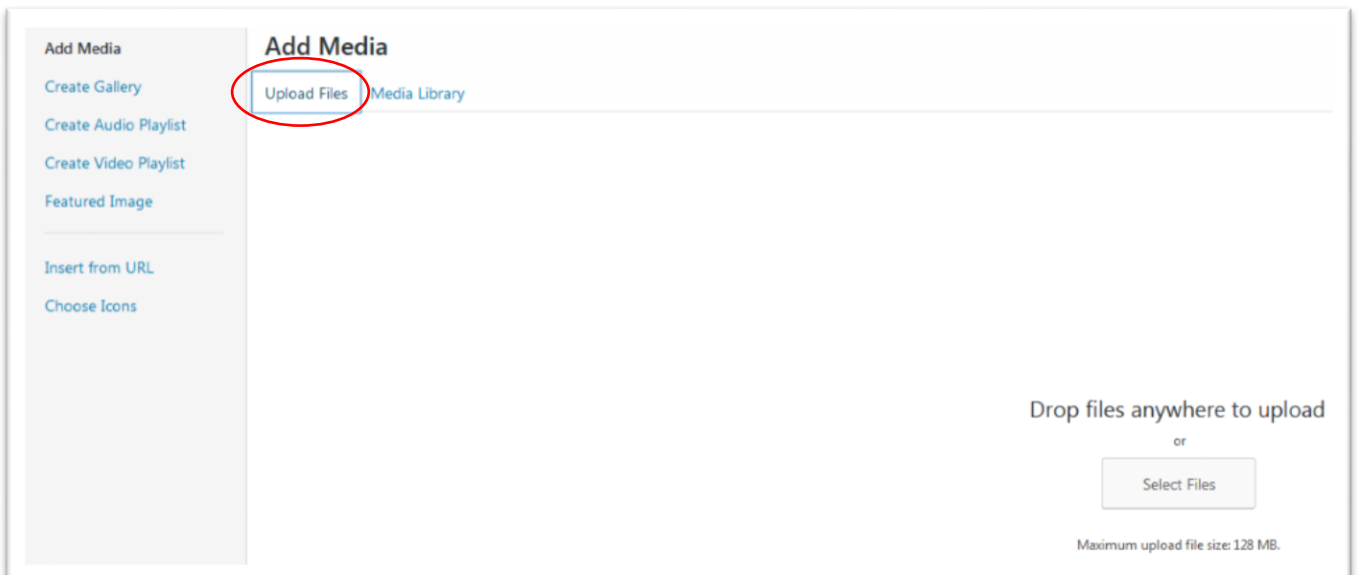

3. Select link to document and delete.

4. Tap "Add Media".

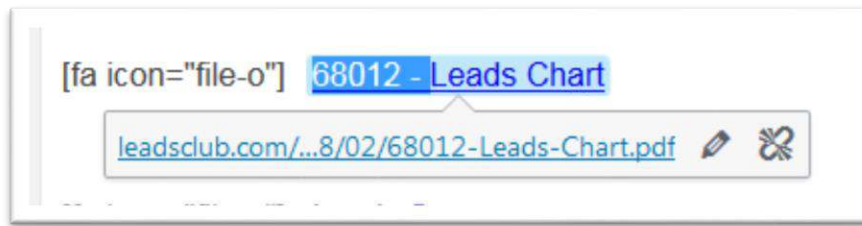

5. Select "Upload Files" and select new document.

6. Ensure "Link To Media File" is selected and tap "Insert into page".

7. Edit title as required.

8. Tap "Update" to complete.
